Sign-up tips:

- Use the private sign-up link that was provided to you or your organization
- You do not need health insurance to register for the vaccine
 - on the health insurance page, click “no insurance” and then “Save and Continue”
- Use Google Chrome for best results
- You can use a cell phone to register, but sometimes there are problems seeing the full content
- Once you’re done with a page, be sure to scroll to the bottom and click the “Save and Continue” button
- If you can’t go to the next page, it’s most likely because there is content that isn’t filled in or a box that isn’t checked

Additional information:

- After you receive your first shot, you will be guaranteed a second shot
- You will sign-up for your second shot onsite at the clinic
- You will receive an information sheet to read about the vaccine
- Do not come if you are sick
- All people coming to the clinic are required to wear a mask
- Everyone will be asked to wait for 15-30 minutes after getting vaccinated
